

Brac Reef Resort: Cayman Brac, British West Indies January 9 - 16, 2010 – Package Price \$2,099

**Pack your bags for this remote tropical paradise!
Join Superior Expeditions for this Caribbean diving adventure.**

Cayman Brac is small island of about 1200 residents with a special ambiance all it's own. "The Brac" is located 86 miles northeast of Grand Cayman and 5 miles east of Little Cayman. It's much quainter and quieter than Grand Cayman, and has topography unique to the Cayman Islands.

The diving is some of the best in the Caribbean. Brac Reef Beach Resort and Reef Divers Cayman Brac have been awarded the Caribbean's: #1 Top Wall Diving, #1 Healthiest Marine Environment, #3 Best Destination for Underwater Photography and #2 Best Destination for Advanced Diving (as rated in Rodale's *Scuba Diving* magazine 2005 Readers' Choice Awards).

Brac Reef Resort offers excellent accommodations and over 1000 feet of white sand beach. The rooms are clean, comfortable, and spacious. Three meals a day are served buffet style and are included in the price of the trip.

Reef Divers, Brac Reef's highly regarded onsite dive shop, offers a full service SCUBA experience. You will travel aboard modern 42 foot boats complete with fresh water rinses, ample shade, a cruising speed of up to 20 miles per hour, and some of the easiest dive platforms you will ever use. All boats have two-tier camera tables and "user friendly" restrooms. Nitrox is available at a special reduced rate for this trip. The staff is one of the most likable and helpful in the world.

During your non-diving time shallow water snorkeling is available right in front of the resort with octopus, lobsters, eels, rays and just about any other critter might find on the dive sites. For the more adventurous you can rent a jeep or scooter and cruise the island. Exploring the caves and walking the beach by the bluffs offer enjoyable ways to pass the time. The less ambitious lie back in one of the beach hammocks for a nap.

The package price (cash/check only) includes:

- Eight days/seven nights of lodging (double occupancy).
- Six days of diving (two morning boat dives and an afternoon boat dive).
- Breakfast, lunch, and dinner daily, plus three drinks per day.
- Round trip airfare from Miami, FL on Cayman Airways.

Complete gear rental for the week is only \$175 through Superior Expeditions. This includes 3 mm full wetsuit, fins, boots, buoyancy compensator, regulator/octopus/SPG, and dive computer. Masks and snorkels are not provided and must be purchased separately. Partial gear rental packages are available at reduced prices.

Open Water Certification Dives (conducted by Superior Expeditions) are available for an additional \$125. A limited number of Specialty scuba courses may be available during the trip. Please inquire with Superior Expeditions for further details,
